

Kate's CUISINE

COOKING

CLASSES

*T*HIS YEAR, Kate offers you the chance to create some of her most popular savoury and sweet Christmas treats in a relaxed and cosy setting, free of the usual busy-ness of the festive season.

Get a group of friends together and relax with a glass of wine or a coffee while Kate shares her kitchen secrets while cooking for you, then it's your turn to try your hand in the kitchen before tasting your creations.

You will prepare four savoury canapés and four sweet treats and take the recipes home with you: at Christmastime, these delicious dishes can be prepared in advance to take the pressure off on the big day or can be wrapped as gifts for friends and family.

*T*ALK to Kate today about getting your friends or family together for an evening of fun and food. Classes are limited to ten participants making the experience more personal.
